“ *I will always remember that vibrant young lady who worked as a secretary in the Network Reliability GTE Office in Temple Terrace. She was a very caring person and a very professional employee. She left us in the early 90's to become a GTE service representative in Tampa. My last memory of her was in 1997, as I saw her in Tampa just before I left for Saudi Arabia. She lived just a few miles from me in NC, and I never knew she was living there, nor that she had retired. GOD Bless this wonderful young lady and her family in this time of sorrow.
