“ Linda is loved by so many here at work, We are her extended Family and she will be profoundly missed here at LRMC. She is a part of all of us and we have all learned so much from her over the years. Tears of sadness echo throughout our department, there will come a time when we can all remember the stories and laugh and share them with each other, Today we hold together with sadness to mourn our Dear Friend. Linda was so much more than my supervisor , She was my Dear trusted friend, my Mentor, my Safe Harbor .

Today something happened that says who Linda was. As we all know Linda has been away from work for many months, before Christmas. As her Department; we always made Christmas special. We would go out together for lunch and exchange gifts. This past Christmas Linda was unable to be with us. In the time Linda was out she keep worrying about us, that we didn't get our Christmas Gifts. To us Linda was our gift!

This morning Glenna gathered Linda's team together, Ricky Joe had given her the Christmas Presents Linda had purchased for us. It was important to her , making it important to him, to see that we received them . Glenna asked us to open them. Linda knew each one of us so well and gave us each a Beautiful Sweet memory, individually picked for us.

Thank you, Ricky Joe for giving us one last Christmas & moment with Linda. We Love her so very much. Know you are in our thoughts & Prayers. For each of us this morning, we were able to feel Linda's love for us. Linda may have picked out the gifts but the true gift was given by you. It was the gift of one last moment with Linda. a moment we will carry in our hearts forever.

With all our love, Linda's Team
