“ Linda, I’m so sorry your life had to end so soon, but happy to know you aren’t suffering any more. I know you had many plans after retirement and glad ya’ll got to travel to Israel before you got sick. I know you got to spend time in Alaska, trip to Hawaii and places here too numerous to mention, but you weren’t through. I know you are now seeing sites much more beautiful than you could ever see on this earth. Wish you could have had more time to spend with your babies. I really miss your smile and laughter, but I know I’ll see you again. Much love and I miss you already. ☺💕☺💕☺
