“*I had the pleasure of being Lindsey's counselor while at Randall. She worked hard to be successful in her life and overcome any challenges and obstacles. My heartfelt prayers to her son and family. I also had the pleasure of working with her parents and knew her sister. May you find comfort during these difficult times* 🌻🌸🌻

“*Lindsey was a student of mine in middle school for 2 years. I am so shocked and saddened to hear this today!! I had no idea! I was so proud of how she took control of her life and really found her way. Lindsey made a large impression on my life as an educator! My heart goes out to her son, sister, mom and entire family. May she be at peace.*

“ I just heard of this & am so sorry for Lindsey’s family. As a teacher, it was lovely to see how much Lindsey had grown and how very much she loved her son. Such a loss will never be easy to put into words. Prayers for her son and family who will miss her always.
