“ Our family was so blessed by Miss Mama Lisa and her influence and love will and has remained and will continue to be with us forever. Once when we were house sitting she left a note before we woke up and they had left for their trip. It was so sweet and I have kept it well over 10 years now because it meant so much to us. Praying for Doug, Sunny Rae, Casey and all the family as they celebrate her amazing well lived life.

“ I know today will be a difficult day for all of you. Please know you are surrounded by friends and family who are praying for you and lifting you up—not just today, but in the days ahead.

We take comfort in knowing that Lisa is free from pain and rejoicing in heaven, yet we will deeply miss her sweet smile and the warmth of her presence here on earth.

“Have I not commanded you? Be strong and courageous. Do not be afraid; do not be discouraged, for the Lord your God will be with you wherever you go.” — Joshua 1:9

“ *Lisa was not just our daughter's mother in law for us . She was a true sister ever since we met in 2014. She has instilled such a positive spirit in us and left us an everlasting mark in our lives. We will ever be grateful to her and God, the Almighty for receiving our daughter, Tina into her family as one of her own with open hearts and love. So her family became an integral part of ours in no time. Our entire family is so saddened by her departure. But we have the Christian Hope we will see her again with a glorious body soon. Praying for our dear Doug, Casey and Sunny Rae that the good Lord comfort their hearts and give them peace and strength during this difficult time.*

*Love,

“ We are deeply saddened to hear about the passing of Lisa. Our hearts go out to Casey Bro, Tina Chechi and the entire family during this difficult time.

We will always cherish the memories of when everyone came to visit us when we first moved here and those moments filled with singing, laughter, and togetherness truly showed what an amazing person she was. Her warmth and spirit touched everyone around her.

May God grant you all comfort, strength, and peace in the days ahead. You are all in our thoughts and prayers.

I know we haven't been in touch for many years; however, through Frances I've kept up with you. I don't believe I ever met Lisa, but if she was married to you, it must have been in God's plan. May God bless you and your family in these difficult times. Love, Monica Morgan

Doug, we have not been in touch for many years. We will remember you and Lisa guiding us as we started our tax practice in 2003. Our prayers are with you and your family at this difficult time. We'll try to contact you in Plant city. Bill and Susan Spring.
