“ My heart is broken. Lisa, is so many ways, for so many years, was
like a big sister to me. Her hugs, affirmations, sense of humor and
always having my back, even as a little boy, stayed with me for
years. I remember my first days at Wilson Elementary and walking
by her house as a 10 year old boy and she always had a smile and
asked how I was doing. From that time, to all the times I moved
to/from Plant City, Lisa was a part of the world that made it much
better, Love you lots Lisa! Hugs to your family.
