“ *Brenda / Debbie / Wanda ... So very sorry to hear of your mothers passing. I have known her and your family since childhood. She was always such a wonderful person inside and out. We were all very blessed to have known her and your father, and they were not only role models to you, but to our entire church community. Condolences from all the Baxter family. Regards, Mark.*

“ *Lizetta you were a great sister-in-law! You were there to help my Mama and me when my Daddy passed away. I wasn't a Lewis at that time. Then before Jimmy and I got together, you were there to help me and guide me when I had questions. You were so kind to me before and after Jimmy and I got married. Then when Jimmy passed away we had telephone talks. You couldn't come see me as Theodore (I called him Theodore instead of John as that's what he asked me to) was ill. You were a good friend and I'll miss you as I have missed you during your long illness. I know you are in God's presence reunited with Theodore and if you see Jimmy tell him hello and I miss him. I love you!*

“ Aunt Lizetta, you will be missed by everyone. Thank you for loving us all so dearly. Thank you for putting up with me in my teen years. And I will never forget summers with you, Uncle T Deb, Wanda and Brenda Thank you for hash browns and A. Lake days. For letting us stay up late and watch Creature Feature. But most of all for the example you were as a woman of faith. I was paying attention. Love you, Barbara.
