“Lloyd was a best friend. I have a lot of great memories, we shared alot adventures over the years. He was always there to help, good times or bad. Probably my most favorite memory is the time we trailered our motorcycles to the smokey mountains. We camped for a week with our girlfriends (seprate tents of course) and rode through the mountains every day we were there, what a blast. I totally reget not staying in touch and not being there to say goodbye. R.I.P. my best friend, I know I will see you again. Love and miss you, Rick K.
