“ I’m so sorry I did not know Mrs Lois had gone home to be with the Lord until tonight. Mrs Lois was such an amazing woman. I remember many many years ago a wonderful experience we had at the health department when the absolute sweetest, most caring, Godly nurse gave my children some needed shots for school. Our daughter hated needles and any mention of shots would cause her to run for the door, but not that day! Mrs Lois had her total trust and when we left I remember Cortney saying, “ Mama, that nurse has to be somebody’s grandma because she was sure sweet like one!” Then years later we would meet again through ministry. I know she’s with the Lord now and no doubt she was welcomed as a good and faithful servant! Praying for all of your family during this time... Our loss is truly heaven’s gain!

“ *My family has known Pastor Livingston and "Miss Preacher" as we use to call her all my life. We were practically neighbors. She was a very special lady, a true example of what a Christian is. I will miss her smile as well as her laugh!*

My children loved her as well...my oldest son has a memory of her that shows just what a kind and loving person she was. They went on a church trip to Silver Springs and when he came home he was so excited. Mom he says..I learned how to whistle! And Miss Preacher taught me how! I love you Miss Preacher❤️

So sorry to hear that Lois has passed away. Just found out today. I knew her and Mr. Al a long time and also worked with Lois at Plant City Health Department. She was a wonderful Christian lady and loved everyone. In return I don't know of anyone who didn't love her. Our loss is Heaven's gain! Praying for all her dear family left behind.
