“ *Sondra and Family - YOU have been in my thought and prayers (and so has your mom for several years)! Sondra, Charles, Chris and my family go back for 30+ years and I am so glad God allowed our paths to cross because our life has been so richly blessed by having you in it! From knowing you - and the love you (Sondra) have for your friends and family (and even strangers & acquaintances) was because your parents "raised you right" - You have a big, big heart and God will heal your broken heart right now as you know and believe that your Mom is with Him in His Heaven! So take care and know that you are loved and appreciated by so many! God Bless you Sondra and Family - I love you dearly.
