“ I have known "of" Loren for about 40+ years but have never met him in person. My mom use to date Loren when they were both in high school and when he left for the Air Force. I don't know what happened between them but my mom never had a bad thing to say about Loren. She loved him and his mother very much. I always wanted to meet Loren because I had always heard about him and thought I would one day. But that day will have to be in Heaven now. My mom and I both are so sorry for your loss but Heaven has gained an angel and what a wonderful Easter Loren had this year with our Heavenly Father. Our thoughts and Prayers are with you Ann and the entire family. Keep the memories close by in your heart and Lorene will always be with you. Love, Alice Christenberry-Battcher and my mom, Carolyn Goff-Christenberry

“ Good Bye old buddy. I was hoping to see you after you came back to Plant City but it didn't happen. You will never know how many times that I saw you on Facebook and wanted to reach out to you but didn't. So sorry that we didn't meet again. I will always remember you and the good times we had at Plant City High School.
