“ I am sorry for your loss please accept my deepest sympathy. I hope you will find your strength and comfort in Jesus promises of the earthly resurrection(:Acts 24:15) and the renewed Paradise earth, where death will be no more and no family will have to mourn the death of a loved one.-Revelation 21:3,4; Luke 23:43. May GOD(Psalms 83:18) grant you peace and comfort now during this grievous time.-Matthew 5:4.

“ I just happened to look at the paper today. I worked with Mrs. Powell at Seminole Presbyterian School in the library quite a long time ago. I believe it was soon after she retired from Plant City High School. I remember how her and I cataloged the library while I put it on computer. She was the most gracious lady I had ever worked with. I valued all the time I had with her. As the years have gone by, I have spent many times thinking about her and wondering how she was. She always talked about her husband and "Billy". I am so sad today but know she is in a better place. May God Bless Her.

I just now found out of Mrs. Powell's passing. The Powell's were neighbors of my family (The Gardners) while growing up and I was also her library student assistant while a student Plant City High School. Mr. and Mrs. Powell were also at the Health Center of Plant City for a time when my mom was there. I had some great conversations with Mr. Powell. He sure did love his wife!!! Mrs Powell was a very kind and sweet LADY. I enjoyed having them as neighbors. Billy and family, I am so sorry for your loss. You were a wonderful son and took care of them. As much as we miss our parents, it is a wonderful gift to know that we will be with them again one day! With Much Love, Peggy Gardner Adams
