“ A Poem by Maya Angelou *We, Angels and Mortals, Believers and Nonbelievers, Look heavenward and speak the word aloud. Peace. We look at our world and and speak the word aloud. Peace. We look at each other, then into ourselves, And we say without shyness or apology or hesitation: PEACE, MY BROTHER. Peace, My Sister. Peace, My Soul. I believe my brothers soul is finally at peace. I love you Wayne!! You will always be in my heart and soul. I'll see you in the next life time.##imported-begin##Terri Flowers##imported-end##*
