“ *We want to extend our sympathy to the family and especially our dear friend Peggy. We are so very thankful God allowed you and Louis to visit us in October, before his passing. We enjoyed that time so much, and now especially will never forget. Enjoyed the walk in the park and the "sushi". Louis was brave to order that! We could always count on Louis to give advice following the death of Russell and the many questions we had about citrus care-taking.*

“ I am so sorry for the loss of Mr Louis he will be missed terribly. He always made me feel like family. I remember on the one year anniversary of my daughters death while working at his nursery my emotions got the best of me and Mr Louis put his arms around me and wept with me.
