“ Much later post obviously. I'm just a former classmate. Also remember he hunted me up one time to escort my 7 month preg self and four kids to a child's birthday party my now long time ex spouse was hanging all over another wo.an at. Oh well. He was always a nice guy for as well as knew him. So sorry for your loss. I feel your pain. One of my daughters lost her life this past year. God Bless.

“ I remember the day my family moved into the house next door on 13th Ave. Gene was 3 years younger but already a heartbreaker with his gorgeous eyes! We played together often. And life was always fun with my friend Gene! I have great pictures that I took of us playing at Robbie Ferguson's house. Or playing basketball together.. My sympathies for your loss!

“ My sympathies on your loss. I remember the Halloween haunted houses, Memorial Day softball in the field and many years at St, Jude's together. He was a good guy and will be missed.

“ *The Ferguson family of St. Petersburg sends its deepest condolences on your loss of Gene. We fondly remember him playing with Rob and the other neighborhood kids in the yards and fields nearby. Our mom experienced the loss of one of her children, Steve, ten years ago, but we can't even imagine the pain of your now having lost two children, Tommy and Gene. Please know that all of the Gunn family is in our thoughts and prayers.* ”
