“ *This is a tough one!*

*Louise this is not easy for me. My heart is broken. I will never forget our childhood together and the times we spent, laughing, playing, walking around with your record player playing our 45 records and just thinking we were so cool with our sunglasses on! You meant so much to me and your Aunt Helen, and cousin Ed. Their hearts are broken too. I know that you were welcomed into Heaven with open arms from our Lord, and creator, God and his son Jesus. Your Mother, My Aunt Mildred was there so happy to see you and rejoice together. It's not going to be easy for all of us, here. You were always giving to all who knew you. You never met a stranger. You loved Football, the Beach and your Family and Friends, unconditionally. I am so glad we got to see each other in November and that I got to give you a hug. I'm going to miss those hugs. I love you and will never forget you, until we meet again in heaven, this is a tough one" my precious Cousin". May God hold you forever in his arms, Amen.*

*Love always, Lisa & Dave, Aunt Helen and Ed.*

“ Grew up with Louise since 4th grade when I moved to Plant City. So very sad. She messaged me every week checking on myself and my mom. Such a shock. RIP will miss you dearly.
