“ *My sincere condolences to Theo and all the family of Lowell. He was special man and one of sweetest men I have ever known. We worked together for many years at Southern Pump with a great group. At work one day I remember Lowell telling me about one of his daughters being diagnosed with a disease and he cried. I also remember one day my husband called Lowell at our office and told him he didn't kiss me good-bye when he left for work and asked Lowell if he would give me a kiss for him and. Lowell gave me a kiss on cheek for my husband. That is the kind of man he was. Many fond memories!!*
