“ Ms. Lucille was a part of my life for so long I don't know where to start... we would have sing alongs at her house and I got to play the piano for them.. she trusted me to drive her Karen to school... she bought a fuller brush floor sweeper from me even after I poured sugar on her newly mopped floor.. she loved me in all my years.. I loved her in all mine..

“ *What a wonderful, loving and kind woman of God! As soon as we moved to Plant City in 1986 and started going to Eastside, she befriended us. She invited us over to have dinner with her and Felton and got to personally know our family. She and Felton gave us a table for our kids that I still have in my carport. They invited our kids and others to come swim. She truly was a prayer warrior and really loved and cared about others, and her church.*
