“ In my childhood I just loved being around Uncle Luther and listen to his stories from a long time ago when we used to gather at Grandma's and Gtandpa's house and sit around late into the night and tell stories. We all sat around and sang songs, played various instruments and had a blast. There was no television, just radio. We shared a lot of fun!

Those memories will last me a lifetime.

I also really appreciated Uncle Luther and Aunt Evie coming over to mom's (Dorothy) house almost every time I was able to visit from Texas, it meant so much to me to see them even when Luther began to fade and Evie had to dress him and drive to mom's, they continued to be there. They were so sweet and fun to see...

It was sad to see Uncle Luther going down the same path as mom but it was nice to see them in spite of it...

Thank you for all those cherished memories! I love you...
