“ *I am so sorry Micheal and Bryan. Your mom would tell me stories about you growing up. I was a close friend of Lynn and I also cleaned her and her moms house. She was a special person and friend. I will miss you.*

“ *She was such a precious childhood friend. Her mother Lucille and my mother were best friends and co-taught a Sunday School class at Arlington Street Baptist Church in Rocky Mount NC where we grew up. I have many precious memories of times spent in the Peterson home.*

We had just spoken at Christmas. We are praying for the family at this time of great loss.

“ *Lynn was always full of life and very generous. She always enjoyed family and friends. Wonderful person. She absolutely will be missed. She was my 1st sister in law. I always wanted to go with her and my brother when I was a toddler. I'm sure they really wanted that!! Lol.*

“ My dearest friend. We were closer than sisters, spent every evening together after work playing cards, having a glass of wine.....until Lynn moved to Florida for her work....That , of course, was a very sad time for me. We talked often; sharing our lives by phone and with a glass of wine while we laughed about the good times that we had shared all these forty years. We had made plans for me to come to Florida for a long visit.....then covid happened...and my friend was called home before we could meet again.....I will miss Lynn more than I can say.....knowing that her trials and tribulations are over and that she has just gone home where her family was waiting for her makes me rest easy now..
