“ Macie was such a blessing to know and to love. She lit up every room she entered with her smile and contagious laugh. We were so lucky to have spent a few years growing up together, going on countless vacations, sleep overs or just to get our nails done, you were the little sister I never had! We will miss you forever.

“ Our deepest sympathies to family and friends . Macie will always be remembered as one of the sweetest souls that walked this earth. She was such an amazing young woman who excelled at everything she does did. She touched so many lives in such a short life. Her love for God, animals, art, books, photography, athletics, baking, gardening, music, people, running, helping others ... she had a passion for health and nutrition. She truly enjoyed learning all she could about anything that peaked her interest. She was a determined young lady who could do anything she set her mind too. She brought so much joy and light to the world. To know her was to love her! Our family was beyond blessed to have her in our lives for so many years. Rest in peace sweet child.❤️
