“ Maida was a very special lady. I will miss her so much. She always told me I could call her Maida Maida sweet potato. And after that we really became friends. She and Billy were very close friends with my parents and I grew up having her around. She was always a hoot and made the whole dinner table laugh quite often. I love you Maida. My thoughts and prayers are with her beautiful family... ! L,

“ I'm so sad to know that Maida is gone. She was the sweetest Southern lady, and I know she'll be missed by so many. Maida and Billy were unbelievably kind to my father when he was rector of St. Peter's in Plant City, and he always appreciated their hospitality even when my family moved away. I remember that Maida wouldn't let him leave her house without eating a Klondike bar, because she knew how much my dad loved chocolate and ice cream!

“ We lost a true gentle, kind, and caring spirit but heaven gained an angel. It was such a pleasure knowing Maida and hearing her stories and sometimes risqué jokes. What a joy! God bless her family. With love, Marty and Evelyn Clay (and your HCC family)
