“ I am so sorry to hear about Malcolm's passing. What a kind and caring person he was. It seems so long ago when we all lived in Walden Lake, but such good memories of both of you and your children.

“ This kind sweet man will be missed. Malcolm always had that smile and lots of laughs. Loved shopping at his store in Downtown PC. I also had the pleasure of working with him at Disney. He Loved people and did all he could to ensure they were happy and pleased with his services. He was kind and full of life. May his family have peace and comfort during this difficult journey. “ Few families in Plant City would be considered true royalty. The Tatum's are among that select few. Mr. & Mrs. Tatum's influence on me as a student and young man, as well as a member of First United Methodist Church was always positive and my respect for their family can't be expressed. Suzanne, who has been a part of my life for most of my life, is a dear friend and someone who is like family to me. Sending love and prayers to the entire Tatum family all the way from Utah. I wish I could be there to hug you in person.
