“ Dear Susan & boys - I'm so sorry for the lose of your mom. It's times like this that it's hard not be live were most of our family is. Heaven looks more like home every day. Seems we have more family there than here. She is home now, with family that have gone on before. No more pain, no more sorrow. For us who are left, our blessed hope of someday soon joining all our loved ones. Love you all
