“ With deepest sympathy, I offer this little remembrance of Manny. He and I were stationed together at Homestead AFB in the late 70's. We were great partners; he was the First Sergeant and I was the Squadron Section Commander of the 31st Supply Squadron. As a seasoned NCO, he took me under his wing when I was a brand new Second Lieutenant. It was like working with my dad! I could not have asked for a better guide and mentor. I'm sorry we lost track of each other over the years. He is missed and remains in my thoughts and prayers. Robert L. (Bob) Woods, Lt.Col. USAF (Ret)

I'm saddened to hear of Reno's passing. He was a good person in so many ways. I worked for him in the USAF in 77-78 in the 31st Supply Squadron and he was the First Sergeant. He was my boss but, most of all, he was a friend. My deepest condolences to the family.
