*Marcellia I hated to see you go but, I know you are happy with our Lord and your family above! I remember when we were in Church and you played the tambourine and you had your Mom and you had such a beautiful SMILE! I sure have missed you. I know everyone loved both of you in Church. I miss seeing you up town when you worked there. You were one of the sweetest and kindest friends I had. I will never forget you and always in my heart Marcellia! I know the Lord needed you more but I still miss you. I will see you in time but keep all happy with your songs and the loving Angel you are. Amen Rena Yates*
