“ So many memories...so many shopping trips...so many years ago. We lived across the road from the Ayers from the day I was born until I was about 6. I will never forget the summer that our moms decided they should put us all together so we could share the measles, mumps and chicken pox. I will never forget the day they brought Cherie home from the hospital. Although our lives have traveled down separate paths most of our adult lives - all of you hold a very special place in my heart. Thank you for staying in touch with my mom.
I know that God will bring your family peace and comfort that only He can provide. With much love always , Karen (Inlow) Hunt

“ Dear Cherie, Ronnie and Woody-
Those we love don't go away
They walk beside us every day
Unseen, Unheard, but always near
Still loved, still missed and forever dear
I always loved it when Uncle Woodrow and the rest of you packed in
the car driving up
the East Coast to visit your Yankee cousins. What great memories.
Aunt Margaret with
her laugh and wink. I can still hear it.
Much love to all of you and Im sure Aunt Margaret is already feeling
much better and
had her meet up with Uncle Woodrow.

Dear Cherie, Ronnie and Woody. Aunt Margaret would call mom every Sunday night to check on her. We have missed her calls. She was always up beat and happy. I'm sure she is happy and at peace back with Uncle Woodrow. Love you all.
