Remember me in your hearts, in your thoughts,

The times we cried, the battle I fought and the times we laughed.

“ Sissy Margie, i could always hear the smile in her voice when I would talk to her as soon as she heard me say Sissy Margie. Oh how I love you forever and ever. I remember you coming out to the Hialeah house when we were little and sitting in your lap while you were talking. I couldn't stop hugging and kissing you. You were so beautiful. I didn't want you to leave. Every time we'd talk since you'd still make me feel that special and loved. Oh how I miss you ❤️

My beautiful Aunt Margie, there are no words for how much I will miss you. Your beautiful smile, your sense of humor. When I first met you, you took me by my hand and didn't let go. You loved me unconditionally and made me feel incredibly special and part of your family. You had such a gift for that. I will miss our chats, our visits and you. 💕💕
