“ Back in 2013, I managed to reach out to Mrs. Evans and let her know how great of a teacher she was to me back in 1984. She was an inspiration to many children. My condolences to her family.

“ I was so sorry to learn of Mrs. Evans passing. I lived one block from her growing up, and she was my 6th grade teacher. I baby-sat for Susan and Jane many times. What a sweet lady she was! After I moved away and would come back to Plant City to visit my family, I stopped often to visit with my old friend. My heart goes out to her family.

“ In addition to having Mrs. Evans for mat, I was in the same grade as Susan. At Susan's birthday party one year, Mrs. Evans was determined to teach me how to skate. I still can't skate to this day. Thankful that she is enjoying the reunion with Mr. Evans and Mary Ann. Love and prayers for peace and comfort.
