“ Tony, my heart breaks for you and Myah over the passing of Margie. Please accept my deepest sympathy and strength for the difficult days ahead. Margie was truly a class act and will be missed by everyone. While you and Myah are mourning the loss of Margie, others are rejoicing to meet her behind the veil.

“ They say when your born your siblings or cousins are your first friends.

*Not only was Sissy my first friend but my first baby sitter. She wanted me to be unique and be different to the point that every time I tried to pick up something with my right hand she forced me to pick it up with my left. Lol*

*She remembered that my favorite candy as a child was sixlets... who actually remembers those?? Lol She would get me those every holiday and I was so excited about those dang things. Almost 30 years old and still excited about sixlets.*

*You've have forever impacted my life. From your UFO stories to your remembrance of the little things. I love you!*

*Give Papa and Granny a hug for me in heaven. I won't let you down and know that I will always be here for Myah. 💜💜💜*
