“ So many precious memories of this very special LADY. I remember meeting Mema for the first time in 1974 and she made me feel so "special", later I found out that she made everyone she met feel "special". This was just the kind of person she was. Always ready and willing to do for others, without expecting anything in return. I loved this woman more than anyone will ever know. So many fond memories I have to cherish of the ranch, Cameron and her trips to visit in Montgomery. I feel so lucky to have had the opportunity to have known and loved Mema. I will surely miss our long talks with her sitting in her swing. My love to her family, Lindy

“ Mema, God saw you getting tired and a cure was not to be. So He put His arms around you and whispered "Come to Me." With tearful eyes we watched you, and saw you pass away. Although we loved you dearly, we could not make you stay. A golden heart stopped beating, hardworking hands at rest. God broke our hearts to prove to us, He only takes the best. We will always miss you. But we have so many wonderful memories to hang on to. You were a role model, and a friend. Your guidance and love will carry us through, until we meet again.  
Love you Craig, Pam and Kayla

*Aunt Rie, God looked around his garden and he found an empty place, he then looked down upon this earth, and saw your tired face. He put his arms around you and lifted you to rest. God's garden must be beautiful now, he only takes the best. He knew that you were suffering, he knew you were in pain. He knew that you would never get well on earth again. He saw the road was getting rough and the hills were hard to climb, So he closed your weary eyelids and whispered, "Peace Be Thine." It broke our hearts to lose you but you didn't go alone, For part of us went with you the day God called you home.. We love you and will miss you so much. Until we meet again. Give momma, a hug and kiss and tell her it's from me...*
