“ *Sympathies to Bub, Jerry, Nicole, grandchildren, and all the family. Marie loved you all so very dearly. We all will miss her being part of our life. There will not be a time in our daily life and our times of getting together that we don't remember Marie with the fondest memories. She always let us know the love that came from her heart for us. She was always there for us in good times and bad times, walking by our side. A faithful friend throughout all the years we shared together. I will you so very much Marie. Enjoy your heavenly home until we meet again.*

“ Oh Marie, if we could go on just one more trip to Biloxi or wherever you would want we would jump up and go. We've been through a lot...the good the bad and sometimes ugly but we made it through together. Our hearts are broken but we will be together again some day. Until then fly high with the angels sister, you've earned your wings. We'll be holding Bub and Jerry's hand the rest of the way. LOVE....Gary and Carolyn
