“ *A dear lady of energy and goodness.... My heart is broken*

“ *Marie was my friend, my sister in Christ, and I loved her. I love the picture that is posted because that is the Marie I want to remember! It has been mentioned that Marie was good at volunteering others for tasks. That was at least partially true because she had the ability to see the potential in others! Marie had a hand in bringing one of our musical worship leaders to Cornerstone when we were searching - she told the church about him, and she told him about the church!*

However, I also found Marie herself to be quick and willing to serve when asked. One particular important but quiet service she provided was as a "taxi" for some of the elderly women of Cornerstone ... on numerous occasions she transported ladies to church, doctor appointments, grocery shopping, and other places that they could not drive themselves. I never heard her say "no" unless she had another commitment. She was interested in and cared about people, and my life was richer because of her friendship!

“ *Marie was a long time friend, our children attended Central Baptist Christian School together. We spent a lot of time together with all of our children. She was a wonderful mom and grandmother. Prayers for all of her family, she will be greatly missed. Love Diana Portillo*

“ Praying that you will know God's peace and comfort. I know that faith and the wonderful memories you have of Marie will get you through the tough moments . My family was privileged to share friendship with the McAndrews family when we lived in Honesdale, Pa. and John pastored the Honesdale Gospel Tabernacle. I liked what the pastor said at her celebration of life service: grieve with hope. And we can do that because we have the assurance of heaven through Jesus Christ.

*In His love,
Beth Westcott*

“ Marie and I worked together for some years, and always had a great time doing it. She became a beloved friend and introduced my husband and me to other wonderful members of her family, who also became beloved friends. I will always be grateful to her for her expansive generosity of spirit. We had delightful times together over the years, and I will sorely miss her.

“ Marie was a great gal, very special. We both grew up on farms in the town of Unadilla, went to school together K-12 in Unadilla and enjoyed many of the same interests in school plus were active in our respective churches. She was wholesome, lovely , caring and full of energy, I miss her very much.

“ I worked with Marie for several years. Things would sometimes get a little intense at the office. During the most intense moments Marie never lost her cool. She never lost her smile. She was my emotional role model.
