“ My thoughts and prayers are with Ms. Marie and her family. It was an unfortunate way to have met, but I was glad to have had the opportunity to make her few days at the hospital a little more bearable to her and her family. I was sorry I was unable to attend, but as you all are aware I am at the hospital working. I was blessed to have met Ms. Marie and her family. God Bless.##imported-begin##Melisa Davis##imported-end##

“ Dear David & Linda: I know times have been real hard for the both of you. We don't know and don't ask why it happens, but most important is that we continue to have faith and continue living our life as God would want us to. I will miss Marie so much in spirit, but I know she is dancing in heaven with her husband. No pain is what makes me so happy. I love you both and hope we keep in touch. Thank you so very much for trusting me to take care of your mother.
