“ Marie Elaine and I shared the same name only backwards. My name is Elaine Marie. So strange. I have known Marie for over 59 years. One of my favorite memories is when she and her sister Aunt Biddie were playing my piano and singing together. That was such a good day. Marie, like my grandmother, took great comfort in her strong religious beliefs. I think it helped both of them live long lives. I am so happy Marie made it to enjoy her 100th birthday. She was so happy that day. She will be missed

“ I'll never forget what a wonderful and caring person she was. As neighbors she was always available to help and helped me raise my kids when I couldn't get a reliable sitter. She lived a long wonderful life and I'm sure God welcomed her with open arms. Once again reunited with her husband and son. Mary Lou Weiner
