“ *When we were in town, we would go to Grannies for lunch on Sunday. She always welcomed us with open arms, and her food was the best ever! She was such a wonderful caring person, and she will be missed by all who knew her.*

“ Seeing Granny was always one of the highlights of my trips back home. I am Blessed that I recently visited and got that one last hug, actually I got two , because you had forgot you told me bye, so you hugged me twice ! You will be missed ...

“ Granny so many memories with you as far back as I can remember. We were down at your house so much growing up, it was like our second home. Granny's house always had fun size candy bars and big Sunday dinners. You were mine, Mom's and Maddie's walking buddy, we loved playing go fish with you and going grocery shopping to town with you. Things won't ever be the same on Cedar Grove Church Road with you and Mom gone. Maddie lost her best buddy, and we will miss you so much! It's hard to imagine never hearing you laugh again, but I know you are rejoicing in Heaven right now. I love you!
