“ Joe and I want to offer our sincere condolences. I have to say, it was so sad to hear the news of Marilyn's passing and I dare to imagine how difficult it has been for you and your family. We thought Marilyn such a pretty woman, with a great personality and smile. She always made you feel welcome and comfortable being around her. Marilyn was one of those special people who was a breath of fresh air. Her smile was infectious and she had such a warm personality that made her a joy to be around. God bless you all during this difficult time.
