“ Mark and I worked together on MacDill AFB. He and I would swap working weekend shifts whenever he or I needed time off. Mark was a great person to work with, and I learned a lot from him. I'm glad I was able to know him for the year and 1/2 that I did. He could easily hold the attention of a room with his stories and unique personality. Mark, you will be sorely missed buddy!##imported-begin##Ryan Lombardi##imported-end##
