“ I am so sorry for your loss. No parent should ever have to lose a child. Our loving Creator knows how hard this is on you. We are told at Ezekiel 18:32 “for I do not take any delight in the death of someone dying, is the utterance of the Sovereign Lord .” As you can see, He does not like death anymore than we do. It is not his will for us to die which is why He has given us the hope of everlasting life! (Psalms 37:9-11, 29; Rev. 21:3, 4). As the God and Father of tender mercies, He wants you to find comfort in Him through prayer (2Cor 1:3).

“ Melanie,
I am deeply saddened to hear of Mark's passing. Though I only knew him for a few months while we worked on Tamiami Trail in the Everglades, I won't forget him. Mark is one of the Good Guys and I know he will be greatly missed. For you and all of Mark's Family and Friends, I pray that your love for Mark and each other will carry you through this sad time. God Bless All.

“ *Hello Patricia & Larry....I am very sorry to hear about Mark....we lost our daughter to Cancer, this Nov 5th will be 2 years ago and it is just not right that our kids are taken before we are. Cherish the memories my dear friends....I know that I have quite a few of them with Mark...I remember baby sitting him and Johnny and then you taking me to go roller skating and they are some of the best childhood memories of my life.

“ Only a little over a month ago we share a wonderful family reunion, those memories are now a wonderful treasure, a treasure for the ages. Mark you will be missed and remembered for all you have given to our family. Over the years didn't get to spend a lot of time with you or your family, but you where and will always be loved. “ *It is so very difficult to describe the loss I have when thinking of all the years that the Bryant boys (My Cousins) and myself played for hours at our grandparents home (Rev. Raydell Almand and Lavonne), The loss has brought back the fond memories of my childhood, we were so blessed, I will miss you Mark and am eternally happy to know that you are seated in the Lords presence, we will play again someday. My thoughts go out with sincere love for my aunt Tricia and Uncle Larry, as well as our entire family.*

Mark and I go back many years to Turkey Creek Jr. High. He and I have spent many days over the years talking and sharing memories of our times together. He had a wonderful heart. Ten years ago I moved to Lake City and didnt know many people here and one day to my surprise there he was one of my most dearest friends. How excited I was to see him. He will be missed but forever in my heart. My thoughts and prayers go out to his family and friends.

“*Mark stole my heart many years ago. He was a free spirit and did things his own way - a way that worked for him - he was also the kindest, most tenderhearted, selfless, generous young man I've ever known. Many years ago after an awful accident when he rode to the hospital with his intestines on his stomach, we didn't know if he'd make it. The Lord blessed us by choosing to heal him. Now, as my heart is completely broken, I must remember God is always good. The ache of not being able to hug him one more time, not hearing his unexpected knock on our door, not sitting and enjoying crazy/serious conversation, etc. is only made bearable by realizing God chose to bless us again; this time by wrapping Mark in His arms carrying him lovingly to Heaven. I know the huge void in my heart will be filled with loving memories of my wonderful cousin. Love and prayers to Mark's immediate family. I love you all deeply.*
