“ Mark believed in me from a young age. I always loved that about him, he had this ability to bring the best out of any and everyone. He encouraged me to believe in myself, and I believed in him and that he could overcome this battle. But God takes the best flowers from His Garden. He loved his parents more than anything, would do anything for his family, and retained the most respectful personality. He was so loving and passionate about everything and everyone. I love that about my Uncle Mark. Forever missing you,

“ As I sit a day after Mark's beautiful service, I just wanted to say Thank you to his family for sharing Mark with us. Our family moved next door to Mark & Kim 11 years ago, we have been honored to share long talks at the fence, birthdays, and everyday life. Mark treated our daughter Madisyn as if she was his granddaughter, and our oldest Ashlee as if she was his daughter. There will not be a day that goes by as I look over next door and not remember what a true friend, neighbor and the most NON- selfish person I know.

We will miss you deeply, and I promise to keep an eye on Kim ;0)

“ My wife Kathryn and I first met Mark when our son Ryan married his and Kims daughter Kacey. I really liked Mark when we first met. He struck me as being a very honest, friendly and genuine human being with a great sense of humor. Over the past 8 or so years that we have known Mark he has become a true friend and he and his family have become part of our family. Reading the comments made by his friends and coworkers just reaffirms what a great person he was and how correct my first impressions of him were. I just wish I had met him sooner.

Mark was such a great influence on our Grandchildren Madielynn and Sean-Ryan. I just wish he was going to be here to continue influence their lives. They really loved their Pappa Mark. We will make sure they always remember him.

I regret that I was not able to be in Florida to attend the service today. Kathryn called me and told me how moving and beautiful it was. Mark will be missed by all who knew him. He was one of those special people who you feel fortunate to have known. I admired Marks will to live and he never complained and was always thinking of others even when he was so sick. Our thoughts and prayers are with all the family.

Mark, we love you man!!

“ Mark was one of the finest people I have met in my lifetime. He always had a smile on his face. He was always concerned about others even when the cancer had him. I'm gonna miss his sense of humor especially when he'd play a prank and get you to really bite into it and later you'd both be laughing. It was just his style. He never knew a stranger and made friends easily. I'm going to miss my friend who used to say to me "I love you man!" RIP Mark. You were a kind and gentle man. And this ones for you....I love ya man!! Thanks for being part of my life.

“ I have the distinct honor & privilege of being a co-worker & friend with Mark for the past 9 years at Vector.
He was without a shadow of a doubt one of the most genuine, honest, funny & enjoyable people I've ever had the pleasure of knowing.
He loved his family with all of his heart & spending time with them very much.
He always worried about what they needed, and how he could help any of them in any way possible.
He also was remarkably talented in sports and music as well.
Whether it was chatting it up or joking around when we both got a free moment at work, or getting together to watch the fights on PPV at my house I always enjoyed his company, his humor, and the positive vibe and smile he brought to any situation he was involved in.
This world desperately needs more people like him, and that part is a shame because he truly was a one of a kind fellow. One of the coolest people I've ever met.-Robles

“ I have many great memories during high school and junior high years of playing football and mostly basketball at our house with Mark. Mark would come over to the house when he heard the basketball and we had some great tiring games together. He was a good athlete. After years of not seeing him, and on a recent trip back to visit the family (from Jersey), Mark once again heard the basketball and came over to visit. It was the same Mark that I grew up with, always kind, polite, a good friend and I will miss him but he will not be forgotten. We had a good, long, talk and visit. He will always have a place in my heart and I am thankful to have known him. Thoughts, prayers, and condolences go out to his family. God Bless and Rest in Peace!

I work with Mark. I met him when he started 18 years ago. I'll always remember him with a great sense of humor and not a negative bone in his body. He loved to fish and play guitar. I enjoyed my time playing guitar over at his moms house. We had a lot of good times together and I will miss him. RIP Mark!! I Love Ya Man!! You used to always say that to me and that ones for you.

He was fun to be around, was wonderful with Alexis as a baby and toddler. He would do anything for you if he could...he definitely had a caring heart. I can only imagine the immense sadness all of you must feel. I'm keeping each of you in my prayers asking for peace, strength and comfort.*

“ I recently read something that fit my thoughts perfectly. It said we beat cancer by how we live. We beat it in why we live and the matter in which we live it. Mark was a great man who will live on though all of us. He has touch each of our lives with kindness and amazing loving memories. I have several great memories of Mark. Memories of fishing, playing catch in the yard, Sharing baseball stories (he loved talking about baseball), and more. He loved being a grandpa. His love for my Aunt Kim, Austin, and his family will live forever. Mark will be missed. RIP.

“ *Mark was one of the most polite, personable, friendly and positive persons we have ever known. He left an impact on each member of our family without us even realizing it. Any conversation with him always left you smiling. We can think of no individual who fought harder to continue his life than Mark. Even though he lost that battle, he will always remain a part of those who had the opportunity and privilege to know him and we are grateful to be among those who shared a portion of his life.*

Our sympathy and condolences to his mother, his son Austin, his wife Kim and their family, his brother and sisters and all others who knew and loved this gentle and decent man.
