“ *Dear Michael & Brittany,*

We were very sorry to hear about Marsha - I had such a nice conversation with her at a party over the holidays and she expressed how proud she was of both of you and your brother. She loved Buddy and he was such a joy to her. I am glad I had the chance to see her again since your wedding. Your family is in our prayers and we hope God will provide peace and comfort to you.

Although we never had the opportunity to meet Marsha, we know Mike and Mike Jr. from living by one of their fields. You are such great neighbors to us and the community and we share in your grief. We have very fond memories of Marsha from our holidays in Florida, and on trips she made to England to visit Michael's English relatives. Wonderful times spent at the beach and at Disney. She was a lovely person to spend time with. Our thoughts and prayers are with her family
