Marty is survived by three sons, William, Robert and Daniel; Daughters-in-law, Marina, Beth and Whitney; Eight beloved grandchildren and seven (soon to be nine) cherished, great-grandchildren.

Born in Washington DC, Marty graduated from High School in Westfield NJ in 1958, where she is remembered as being a 'vivacious red head". She had a successful academic career at Chatham University, Pittsburg PA where she graduated in 1962. Marty loved supporting and participating at the Springfest Garden Show in Augusta NJ annually where she was often a featured presenter and exhibitor.

Marty spent many years supporting and singing with The Masterwork Chorus, Morristown NJ including the annual performance of Handel's Messiah at Carnegie Hall which she enthusiastically enjoyed. Tennis was Marty's physical compulsion playing in venues throughout northern New Jersey up until her 85th year. Marty was also a Master Gardener cultivating many acres in North

Jersey specializing in organic gardening, ornamental and cottage design. Marty could often be found working in her Gardens which was her true love of life. Many charities and organizations benefitted from Marty's generosity not limited to Chatham University, Pittsburgh Pa, Project Self Sufficiency, Newton NJ, Springfest Garden Show, and Masterwork Chorus.

In her final year Marty, with her dog and cat moved to Tampa, Florida to be close to family and enjoyed being a spectator of Little League and flag football games. In her final days she was surrounded by grubby hands and smiling faces, kitty cats and caring family. In peace now, Marty was loved and cherished by all and will be remembered and revered in many facets of her busy life! We are sure she is on to her next project... Just the way she would have wanted it!
