“ I have almost 39 years worth of memories, but now it doesn't seem like enough. Some things she taught me...pray, before during and after everything....stay connected to your family....love God and follow Him....don't give up on anyone or anything ever.

*I remember making her laugh all my life, I remember her spying on the neighborhood through the front window, I remember her rubbing my feet just because she knew I loved it. Granny was a huge part of my childhood and I'll cherish her forever. Rest in Heaven, watch over us. I love you bigger.*

“ Jerry & Tim, I'm so sorry we're not able to go & be with you all at this sad time but know that my thoughts & prayers are with you & Uncle Norman. I like to remember all the good times we had with Aunt Martha when she & Uncle Norman would come for visits with us. After my Mama passed away she was always there to listen to anything I needed to talk about & when Amy was so sick a few years ago she knew how hard it was for me & for the expense of going back & forth to Dothan to the hospital. I remember one time she sent a sweet card & included \$10 to help with gas. I told her later how much it helped me. She was always so caring & thinking of others, She will surely be missed but forever in my heart. Love you all!

“ We are all so sorry for Norman & the families loss and praying for peace and comfort for you all. Martha and Norman went to Turkey Creek First Baptist Church for as long as I have worked here and they were the sweetest couple and so much in love with each other and also showed Christian love to all who knew them. She will be having her first Christmas in Heaven and what a Christmas it will be. Remember all your memories and know that she is holding God's hand now and complete healed. May God bless you all in the tough days ahead and comfort each one of you,  
We love you Norman!

“ I have more memories of Marth than I can post here. She was so funny at times. When Megan was born she and I went shopping at Wal Mart. If she bought one thing I had to buy two. She told Kim in that southern accent of hers (I bought one but she had to buy toooooo) we have laughed over that for years. I love her and will miss her at lot but I really know for sure that she is with the Lord and at peace. RIP my dear friend
