“ *Martin was a great father to all 5 of his children. A great grandfather to his 8 grandchildren. I met Martin through his daughter Maria. He took my kids in as his own grandchildren. He is loved by everyone who knew him. Such a kind soul, always such a jokester. I was blessed to have been able to meet him & be welcomed into his family. I know he's up there watching over all of us, making sure we all stay in line. We love you grandpa Martin. You will forever be in our hearts.*

“ We met Martin through his daughter Maria(BF) years ago. He accepted us into his family and he was like a brother to us. We always had a great time when the family would get together. He was a very special man and would go out of his way to help any of us. My husband would always joke with him, calling him Marteen and Martin always got a kick out of it. He was an awesome cook and hard working man and loved his family dearly. He will always be watching over all of us now and he will never be forgotten. We love you Martin and the family.
