“ *I have so many happy memories of Granddady, like when he would
take me riding around the farm, feeding the animals for just to ride. I
remember him as a strong and confident man, that made me feel
safe during bad storms. I feel blessed to part of your family. Love
you all.##imported-begin##David Ross##imported-end##*

“ I am so incredibly proud to call you my Granddaddy. Although since we moved to NC and we hardly saw each other in yrs there will be an empty spot in my heart just knowing that you are no longer with us. You could make me smile when I was in the worst of moods with your silly comments. There was nothing that you couldn't fix and I don't think you ever went anywhere where someone didn't know you. It gives me peace to know that you are in heaven with Nancy. I have some really amazing angels watching over me and my babies. I only hate that you never got to meet my kids because you were in the hospital the last couple times we were in Fl. They would've loved you and I know they would've gotten anything they wanted from you with just one of their sweet grins. I pray that all of you have peace knowing that Granddaddy is in a better place and please know that the whole family is in my prayers today and always! Love & Hugs!!###imported-begin###Wendy Wolfe###imported-end##
