“ Brother Spivey was our pastor at Cave City Baptist Church many years ago. He was so kind to my parents. He drove to a hospital in Louisville when my father was having an operation on his carotid artery. He stayed with us in the waiting room throughout the morning and he brought us great comfort. After that he and my father became coffee drinking friends out at the Holiday Inn. He visited my parents in the mid 80s and my young son and he had a cute conversation over his dual time watch. After my dad passed away my mother and Brother Spivey always sent Christmas cards until her death 8 years ago. I will always remember his kindness to our family. My thoughts and prayers to the family.
