“ I have only just learned of Mary's passing! I just can't believe it! She and I went to school together from Jr. high to graduation. She was my best friend. I am so very sorry for you Nida. She was your Janey and I know how very much you loved her. And Joe, I know you are heartbroken too. Mary always looked up to you and adored you. I know she is happy to be with her Daddy again and they wait for our coming when it is our turn to come home. I look forward to being able to hug my own mother and father in Heaven one day. I so regret that I lost touch with Mary after we graduated. I had no idea that she sang! From her picture she remained as lovely as she ever was. I will miss her. Goodbye my old friend. You were loved!

“ *The only comfort we have is knowing that Jane aka Jackie is now singing in God's heavenly choir. Her voice was amazing along with her beauty. I will miss my Sunday afternoons with Jane. She was an inspirational, kind person. I love you "Jane the pain"..*

“ *Janey was my cousin, i remember all the years she would bring aunt nida down to aunt magarets house for dinner and playing cards at the table. I enjoyed watcing them play and some cheating was involved also. Hehe.*

I have a great family and i remember Janey took me to my 1st concert, the outfield. A fight started and she moved me and she got the fist on the side of the face. I felt so bad, but she continued on like a trooper, so i could enjoy the concert.

She loved karaoke and anytime i could we would go with her. She was a great singer. I know shes already singing in heaven. We will be together again one day. Heaven has received a special lady.

Cousin Janey, you will be greatly missed.

Love you,

“ Jane and I may have been cousins, but we were more like sisters. Most of the time we sent each other sister cards instead of cousin. We had a lot of good times going to Disney World with our Moms and with Olivia and Joel. Once, Jane and I went out to dinner and then to a concert. The waiter at dinner said how nice it was that Jane was taking her mother out. She never let me forget that!!! I told the waiter that he did not want a very good tip. Jane and I went out with Joe and his wife to a dinner theater and Joe had fun filling up my wine glass frequently without my knowledge, but Jane knew. They had a good laugh when I had to have Jane help me walk later! She will be greatly missed, but I know we'll be together again. Death is not the end to those who know Jesus as their Savior.

Love always, Debby

“ our Janie, sometimes known as Jackie when she sang, was a loving giving person.
She was one of the first friends I met singing and she stayed close. She was always encouraging. I loved her and I will miss here.

Janey was a Wonderful sister in law that I had for 25 yrs. When I was married to her brother . I could never had asked for a more caring and thoughtful sister in law than Janey. May you rest in peace now with your Dad "Shorty" and have No more suffering or pain. You will be missed dearly. We all know that God has A Beautiful Angel up there in The Heaven watching over all of us as She sings with That Amazing Voice of hers till one day that we will all meet again. We love you Janey and Thanks for All she had done for The family and Children. God Bless You Janey. Love you Terri.

“ *Hello, My name is Tim, I have been a friend of the family since the 90's. I am very saddened to hear of Jane's passing. She was such a delight to laugh with, sing with, and hang around with. I am very happy we got one last time to sing together just over 1 year ago. My favorite song to sing with Jane was "Love Is On The Way". I am going to miss my dear friend and patron of my Karaoke shows. Nida, you and your family have my condolences and are in my prayers. May the peace of GOD be with Jane and may HIS healing fall on those of us who are dealing with the loss of Jane, AMEN.*

One thing I failed to mention when I spoke at Jane's service was that she volunteered her services at assisted living facilities and nursing homes by sharing her beautiful voice with the residents. She brought in her own equipment which was difficult since Jane was a small person. She recruited friends to join her. Many entertainers charge facilities for their services however, Jane volunteered and this is just another example of her kind heart. With love and respect, Paula Papanek
