“ I am so sorry for your loss. Mary and I worked together for 23 years at Honeywell/GroupTech/Sypris solutions. You could always count on Mary to give you her opinion on any subject, whether solicited or not. Mary and I worked on many programs together over the years sharing many challenges and triumphs. I am reminded of Mary each and everyday at work when I set down at my desk. Mary gave me a print of a Alfred Sisley painting (Meadow 1875), the print reminded me of the country around my families home in Kansas. I will cherish it always.
