“ I remember many memories of Mommy. She always seem to be doing something anytime everyday and yet she seemed to always give of herself to God First and Family second and somehow after spending time with the 4 boys she had which was Daddy, Artie, Larry, and mischevious Richie, she always had time for others. I know she has gone home to the right place with the Lord and it wouldnt surprise me if she is an angel. Because she always was except on garbage day when it was my turn to take it out

*Lanelle, whether your'e a candle in a corner or a beacon on a hill, let your light shine.*

*To the family of Lanelle, I worked with her for many years and she was a wonderful very smart person that will be missed by me and so many others.*

“ *To the Kittelstad's, I'm deeply and most assuredly moved by the recent passing of the wife of Arthur and the mother to the Kittelstad children and Grandchildren. Every , I do mean every , time I was in her presence she was a breathe of fresh air, a monarch in my sight , better yet --an Angel doing the precious and godly deeds that bestow a Christian person--I am a much better person for knowing her, listening to her, just being near her. Man of us owe her so much and I am- for the rest of my days -here and in eternity- able to follow in her footsteps being the kind and caring person she always portrayed. GOD has blessed us with the memories we have of her and now she watches over us -asisting and still nourish ing the relationships we can still have with her. AMEN.... BRIAN J PEREIRA*

“ Dear Rick and Family: I am so sorry for your loss. I always heard amazing things about your grandmother and I know she is resting in the arms of Jesus. I pray that God will comfort you during this time and know that Dennis, myself, Shant, and Lauren will always be there for you. We want you to know that we love you and appreciate the fact that you have become part of our family. Love, Dennis, Annette, Shant, and Lauren Ficarrotta

“ Rich,  
Our hearts are heavy and our prayers go out to you and the family. It has been many years since I had seen your Mom and I know what a big part she played in all of your lives. She was definitely one of the few angels here on Earth for the time we had with her and will be missed. Give the family a hug for us.

Love,
