“ Mrs Eva was one of the kindest people I've known. She was always so happy and could find something positive in everything. She exuded beauty and a life of a true woman of God! Bless you, Eva. You have touched so many lives without even knowing it. May God place his healing hand on your family. You are missed.

“ Me & my beautiful tia... Who still lives; She lives in all of us who wre touched by her amazing, loving heart. She lives on in those of us she taught and encouraged to trust and put our hope in God. I hear her encouraging wise words still, I am full of the kindness and love she showered on me my entire life. My tia Eva is irreplaceable & unforgettable! She Chad the kind of heart and spirit that never dies not only because she is alive & well in Glory... But because the kind of love she gave us demands we respect and continue to share that same love with others. She is a flame and a fire that burns within me and my tia will never die! I'm just waiting for my time in Glory, when I will get to see her again. Until we meet again tia! Missing & loving you! ❤️🌸XO

“ *Here in this world you were an amazing person, an inspiration, a true work of God. You made it to the finish line and we are so blessed to have known you here in this world. You left a great example behind and an entire future because you followed the King of kings, because you chose to walk in a righteous path. We will meet again and when we meet we will sing together in one voice and one accord. We Love you Eva and we will always keep your testimony here in this world for those who will need strength, comfort, faith and to seek the Lord. We are so blessed to know that you made it to the other side and no better place then the kingdom of God.*
